Types of Data Collected The Data Controller does not provide a list of types of Personal Data collected. Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the data collection itself. Personal Data can be freely provided by the User, or, in the case of Usage Data, collected automatically during the use of this Application. Unless otherwise specified, all Data requested by this Application is mandatory. If the User refuses to provide it, it may be impossible for this Application to provide the Service. In cases where this Application indicates certain Data as optional, Users are free to refrain from communicating such Data without consequences for the availability or operation of the Service. Users who have doubts about which Data is mandatory are encouraged to contact the Data Controller. The possible use of Cookies - or other tracking tools - by this Application or by the owners of third-party services used by this Application is intended to provide the Service requested by the User, in addition to the other purposes described in this document and in the Cookie Policy. The User assumes responsibility for the Personal Data of third parties obtained, published, or shared through this Application.

Methods and Place of Processing the Collected Data

Methods of Processing The Data Controller adopts appropriate security measures to prevent unauthorized access, disclosure, modification, or destruction of Personal Data. Processing is carried out using IT and/or telematic tools, with organizational methods and logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, others involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communication agencies) appointed as Data Processors by the Data Controller, if necessary, may have access to the Data. The updated list of Data Processors can always be requested from the Data Controller.

Place Data is processed at the operational offices of the Data Controller and any other places where the parties involved in the processing are located. For further information, contact the Data Controller. The User's Personal Data may be transferred to a country other than the one in which the User is located. To obtain further information on the processing location, the User can refer to the section on details of Personal Data processing.

Retention Period Unless otherwise specified in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be kept for a longer period due to legal obligations or based on the Users' consent.

Cookie Policy This Application uses Tracking Tools. To learn more, Users can consult the Cookie Policy.

Additional Information for Users

Legal Basis of Processing The Data Controller processes Personal Data relating to the User if one of the following conditions exists:

- The User has given consent for one or more specific purposes.
- Processing is necessary for the execution of a contract with the User and/or the execution of pre-contractual measures.
- Processing is necessary to comply with a legal obligation to which the Data Controller is subject.
- Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Data Controller.
- Processing is necessary for the purposes of the legitimate interests pursued by the Data Controller or by third parties. It is always possible to request the Data Controller to clarify the specific legal basis that applies to each processing and, in particular, to specify whether the processing is based on law, provided by a contract, or necessary to conclude a contract.

Further Information on Data Retention Unless otherwise specified in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be kept for a longer period due to legal obligations or based on the Users' consent. Therefore:

- Personal Data collected for purposes related to the execution of a contract between the Data Controller and the User will be retained until the execution of that contract is completed.
- Personal Data collected for purposes related to the legitimate interest of the Data Controller will be retained until the satisfaction of that interest. Users can obtain further information regarding the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Data Controller. When processing is based on the User's consent, the Data Controller can retain Personal Data longer until such consent is revoked. Furthermore, the Data Controller might be obliged to retain Personal Data for a longer period in compliance with a legal obligation or by order of an authority. At the end of the retention period, Personal Data will be deleted. Therefore, at the end of this period, the right to access, delete, rectify, and the right to data portability can no longer be exercised.

User Rights under the General Data Protection Regulation (GDPR) Users may exercise certain rights regarding their Data processed by the Data Controller. In particular, Users have the right to:

- Withdraw consent at any time. Users have the right to withdraw their consent where they have previously given their consent to the processing of their Personal Data.
- Object to the processing of their Data. Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- Access their Data. Users have the right to learn if Data is being processed by the Data Controller, obtain disclosure regarding certain aspects of the processing, and obtain a copy of the Data undergoing processing.
- Verify and seek rectification. Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- Obtain the restriction of processing. Users have the right to restrict the processing of their Data under certain circumstances.
- Obtain the deletion or removal of their Personal Data. Users have the right to have their Data deleted by the Data Controller.
- Receive their Data and have it transferred to another controller. Users have the right to receive their Data in a structured, commonly used, and machine-readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- Lodge a complaint. Users have the right to bring a claim before their competent data protection authority.

Users can obtain information on the legal basis for Data transfer outside the EU or to an international organization governed by public international law or set up by two or more countries, such as the UN, as well as on the security measures taken by the Data Controller to safeguard their Data.

Details about the Right to Object Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Data Controller, or for the purposes of the legitimate interests pursued by the Data Controller, Users may object to such processing by providing a ground related to their particular situation to justify the objection. Users must know that, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To find out whether the Data Controller is processing Personal Data for direct marketing purposes, Users can refer to the relevant sections of this document.

How to Exercise Rights To exercise their rights, Users can direct a request to the contact details provided in this document. These requests are free of charge and will be addressed by the Data Controller as early as possible and always within one month. Any rectifications, deletions, or limitations on processing will be communicated by the Data Controller to each of the recipients, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves a disproportionate effort. The Data Controller informs the User about those recipients if the User requests it.

Additional Information about Data Processing

Legal Defense The User's Personal Data may be used for legal purposes by the Data Controller in court or in the stages leading to possible legal action arising from improper use

of this Application or the related Services. The User declares to be aware that the Data Controller may be required to reveal personal data upon request of public authorities.

Specific Information At the User's request, in addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning specific Services, or the collection and processing of Personal Data.

System Logs and Maintenance For operation and maintenance purposes, this Application and any third-party services it uses may collect system logs, which are files that record interactions and may also contain Personal Data, such as the User's IP address.

Information Not Contained in This Policy More details concerning the collection or processing of Personal Data can be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

Changes to This Privacy Policy The Data Controller reserves the right to make changes to this privacy policy at any time by notifying Users on this page and, if possible, within this Application, and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Data Controller. We recommend checking this page often, referring to the date of the last modification listed at the bottom. Should the changes affect processing activities performed based on the User's consent, the Data Controller shall collect new consent from the User, where required.
